Newsletter of Jurisdiction IV

DECEMBER 2021

---

*Through Hoo-Hoo a United Forest Products Industry*

### *SEASONS GREETINGS*

*Ray Lamari, Supreme 9 and the Board of JIV wishes all members of JIV and their families a happy festive season and prosperous 2022.*

We had all be hoping to put 2021 behind us and look forward to a better 2022 however it does not look promising with Delta and now Omicron holding us back. Travel again is restricted to some States and depending on where you want to go you might not be able to get in or out. Wherever you are stay safe, enjoy yourselves and look forward to 2022.

The JIV Secretary on a recent journey to Melbourne to deliver her grandchildren's Christmas presents stopped in Albury and went to Doug Howick's tree in the Foresters Memorial Grove. Still growing strong in 2021.

### **CONVENTION 2022**

The JIV Board is in discussion on Adelaide being the next convention destination. Further details will be made available when finalised.

*“Black Cats will rendezvous in 22”*

*Any other suggestions for a motto for the convention?*

### **NORTON LADKIN MEMORIAL AWARD**

Brian Page has resigned his position as a trustee for this award. If you are interested in nominating for this position, please contact the JIV Secretary on [jivsecretary@iinet.net.au](mailto:jivsecretary@iinet.net.au).

### **JIV'S SECRETARY AND TREASURER**

Contact Trish on [jiv.treasurer@outlook.com](mailto:jiv.treasurer@outlook.com) for anything Financial

### ***DID YOU KNOW?***

When the Danes were defeated at sea in 1807 they responded by planting 90,000 oak trees towards rebuilding their Navy fleet. The Danish Nature Agency, successor to the Royal Forester, informed the Defense Ministry in 2007 that their trees were ready.

Two U.S. presidents have had membership in Hoo-Hoo.  
Theodore Roosevelt was given the reserved membership number 999  
for his work promoting the importance of forests.

Warren G. Harding, membership number 14,945, was “concatenated” in 1905.
